COLLECTION

A Great British company producing great British products

For over 20 years Kudos have designed and manufactured high quality showering products, our 2022 collection brings together innovative design, functionality and value, helping you to create the perfect solution for your bathroom. From doors and enclosures through to shower trays, wet-room systems and over-bath screens, whichever Kudos product you choose you can be sure of getting a great British product from a Great British company.

The difference is in the detail

Every Kudos product has been hand built by craftsmen who have an enduring passion for design and an abiding commitment to quality. All covered by the Kudos lifetime guarantee* our extensive product range should provide the ideal solution for your needs, if not, then consider Kudos Signature, our bespoke shower solution tailored to your exact requirements.

*See website for details.

ultimate walk-through: single panel, matt black hinged deflector panel x 2,
matt black front panel fixing kit x 2 and aqua4ma evolution centre waste deck

ultimate

walk-in enclosures

Stylishly minimalist and modern, yet classically elegant, Kudos ultimate walk-in enclosures complement and enhance every style of bathroom design. So give your home the kudos it deserves and step into showering luxury with a Kudos ultimate walk-in enclosure.

Features

- + 11 flat panel sizes in 8 or 10mm
- + 3 curved panel sizes in 8mm
- + 1950mm high (exc. fittings) 1985mm high (inc. fittings)
- + Toughened safety glass with Lifeshield™ easy clean coating
- + Choice of fixings to suit all situations
- + 3 deflector panel options
- + Available in silver/chrome, matt black, bright nickel, brushed nickel, polished gold and brushed gold
- + Suitable for fitting to tiled floors or shower trays

ultimate

flat panel walk-in enclosures

11 panel sizes in either 8 or 10mm toughened safety glass with Lifeshield™ easy clean coating, enable you to create virtually any configuration to suit your style and imagination. Kudos ultimate flat panel walk-in enclosures can be fitted to tiled floors or most standard shower trays, however, if fitting to a shower tray for complete peace of mind we recommend using a Kstone or the stunning connect2.

Creating a beautiful walk-in enclosure could not be easier, with so many panel sizes and fixing options, you can create virtually any style, shape or size. Available as standard in a Silver/Chrome or Matt Black finish as well as a range of special finishes. Let your imagination run wild and create the ultimate showering space with the Kudos ultimate shower panel system.

Features

- + Lifeshield™ easy clean glass coating
- + 11 Panel sizes in 8 & 10mm
- + 1950mm high (exc. fittings) 1985mm high (inc. fittings)
- + Glass to floor gasket to minimise silicone
- + Easy fit dry-seal wall post, requiring no silicone
- + Available in silver/chrome, matt black, bright nickel, brushed nickel, polished gold and brushed gold

2. L/H Fold away deflector panel in 'closed' position
3. L/H Fold away deflector panel in 'open' position

ultimate recess: 1 panel, 1 x matt black wall post, 1 x matt black front panel fixing kit,
1 x aqua4ma evolution centre waste deck

ultimate

space efficient curved panel enclosures

These unique elegantly designed Bow Fronted walk-in enclosures are the perfect solution for smaller bathrooms or where wall space is restricted.

Combining 8mm curved toughened glass panels with Kudos Concept Bow Fronted shower trays, ultimate curved panel walk-in enclosures make an ideal bath replacement especially where a door or window position restricts the available depth of the showering area. Available in three sizes, to suit 1200mm, 1500mm, 1700mm curved trays measuring just 700mm at each end providing the bather with a generous showering area for comfort and enjoyment.

Features

- + Lifeshield™ easy clean glass coating
- + 3 Panel sizes in 8mm (700mm, 1000mm, 1200mm) for 1200mm, 1500mm and 1700mm bow fronted trays
- + 1950mm high exc. fittings. 1985mm high inc. fittings
- + Glass to floor gasket to minimise silicone.
- + Easy fit dry-seal wall post, requiring no silicone
- + Available in silver/chrome, matt black, bright nickel, brushed nickel, polished gold and brushed gold

-
1. ultimate curved corner with flat side panel, wall post, L/H hinged deflector panel and concept bow fronted tray
 2. ultimate curved corner with flat side panel, wall post, L/H hinged deflector panel and concept bow fronted tray

Ultimate deflector panels, fixing kits and colour finishes.

Deflector Panels

Designed to contain the majority of over-spray and splashing within the showering area, Kudos ultimate deflector panels are available in three styles, each option is able to be retro-fitted and can be added at a later date if required.

Enjoy the pleasure and appearance of a walk-in shower even where space is at a premium. With the ability to fit a deflector panel it is now possible to create a functional and stunning enclosure even as small as 1400mm.

A = Rec min access 500mm
B = 265mm

Fixed Deflector Panel:

Supplied with fixings to connect to standard fixing kit recess or corner. This 255mm fixed deflector panel provides a 90° angled barrier to prevent splashing outside of the showering area.

Not suitable for use with angled or ceiling fixing kit. Not for use with curved panels

A = Rec min access 500mm
B = 300mm or 400mm
C = 180° rotation for easy access

Hinged Deflector Panel:

Available in 300 and 400mm widths in both 8 & 10mm glass thickness, the hinged deflector rotates through 180° for easy access. Featuring heavy duty hinges with crystal clear seals for minimalist appearance. Available in both 8 & 10mm glass thickness and featuring heavy duty hinges and crystal clear vertical seal.

Suitable for use with flat and curved panel enclosures and all ultimate fixing kits

A = Rec min access 500mm
B = 300mm
C = 135° rotation stops at optimum position for maximum overspray protection

Fold-Away Hinged Deflector Panel:

Designed to fit neatly behind the front panel when not in use, the 300mm Fold-Away deflector panel stops at a 45° angle to the front panel when in use to provide the optimum protection from over-spray. Available in both 8 & 10mm glass thickness.

Suitable for use with flat panel enclosures and all ultimate fixing kits

Note: All ultimate Hinged Deflector Panels are handed please suffix codes with LH or RH. All illustrations show Right Hand option.

Fixing Kits

To secure your shower panel we offer a number of fixing options.

For maximum stability we recommend the Standard fixing kit, available for both front panel and side panels. However, if it is not possible to use this style of fixing, we also offer an angled fixing kit in 2 sizes or a glass to ceiling support which can be cut to the desired length.

Standard Fixing Kit

Shown: Front panel fixing kit with side panel fixing kit. Each stabilising bar is 1000mm long and can be cut to suit. A 1500mm front panel kit is also available.

Angled Fixing Kit

Available in 300mm or 500mm options.

Ceiling Fixing Kit

Ceiling fixing bar is 600mm long and can be cut to suit ceiling height.

See page 16 for suitability of fixings based on the configuration of your walk-in enclosure.

Colour Finishes

Kudos ultimate fittings are available in Chrome/Silver, Matt Black, Brushed Nickel and Brushed Gold. In addition both Bright Nickel and Polished Gold are available to special order.

Silver/Chrome

Matt Black

Brushed Nickel

Flat Panels

Codes & Dimensions

Panel Sizes*	Product Code 8mm Glass	Product Code 10mm Glass
400mm Glass Panel	5WP400	10WP400
500mm Glass Panel	5WP500	10WP500
600mm Glass Panel	5WP600	10WP600
700mm Glass Panel	5WP700	10WP700
760mm Glass Panel	5WP760	10WP760
800mm Glass Panel	5WP800	10WP800
900mm Glass Panel	5WP900	10WP900
1000mm Glass Panel	5WP1000	10WP1000
1100mm Glass Panel	5WP1100	10WP1100
1200mm Glass Panel	5WP1200	10WP1200
1400mm Glass Panel	5WP1400	10WP1400
Glass to Glass Corner Seal	5WPCS	10WPCS

*Sizes shown are nominal. All panels are undersized by 45mm to allow for tiling when fitting to shower trays. When choosing your panel size we recommend allowing access of approx. 500mm.

Ultimate flat panel walk-in enclosures can be fitted to tiled floors or most standard shower trays, however if fitting to a shower tray for complete peace of mind we recommend using a Kudos Kstone or the stunning connect2.

Curved Panels

Codes & Dimensions

Panel Sizes*	Product Code
700mm Curved Panel (for 1200mm tray)	5WPCV700
1000mm Curved Panel (for 1500mm tray)	5WPCV1000
1200mm Curved Panel (for 1700mm tray)	5WPCV1200

Add 700mm flat panel to create a corner enclosure

Shower Panels for Space Efficient Enclosures (8mm only) **

*Sizes shown are nominal. All panels are undersized by 45mm to allow for tiling when fitting to shower trays. When choosing your panel size we recommend allowing access of approx. 500mm.

**Designed to fit a dedicated Bowed Fronted concept tray. Ultimate curved panels can be fitted direct to a tiled floor, however unless the wet floor area is shaped to match the curve of the panel drainage may be impaired

Fittings required for the SE enclosures, with the exception of the wall post, are the same as those shown for the equivalent flat panel enclosures.
