DANSANI MINORE

MINORE BASINS PERFECT FOR

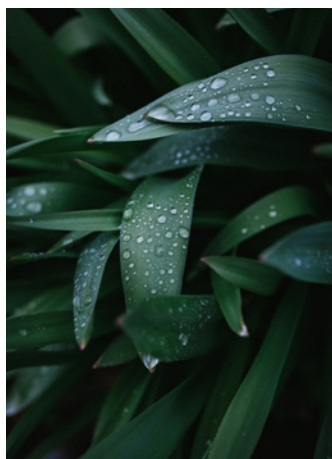

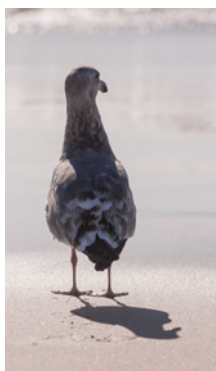

SMALL & LARGE BATHROOMS

With 2 new basin designs to suit both the smaller bathroom as well as the larger master bathroom.

Minore 50.2*45.5cm is perfectly designed to suit smaller bathrooms or ensuites where space is at a premium, but the requirement for a full sized bowl is still important. On the other hand the 120.2*45.5cm large trough style basin fits perfectly into room designs where a large single or double solution is needed.

To complement and provide the all important storage we are pleased to offer the YOU URBAN vanity units to complete the look.

To complete your design with products such as additional storage, mirrors, handles and accessories please refer to the YOU brochure.
