# CLASSIC COLLECTION

---

This Classic Collection has been carefully handpicked to give you the very best in classic styling for your bathroom. The collection includes elegant bathroom furniture, bathtubs, basins and WCs, taps and showers, as well as bathroom accessories for that seamless finishing touch.

## CLASSICALLY DESIGNED, TIMELESS STYLING

The Classic Collection brings together a complete range of traditionally styled bathroom products so that you can create your perfect period bathroom.

Designed by industry specialists with a wealth of knowledge and expertise, function and great design come together flawlessly, allowing you to create a look to suit your personal choice safe in the knowledge that everything in the collection is designed to coordinate perfectly together.

We are extremely proud of our products and our confidence in their quality is such that we offer extended guarantees on many of them, including a 10 year guarantee on all furniture, taps and showers, and a 20 year guarantee on all sanitaryware.

## MARSTON

---

Our Marston range of furniture strikes the perfect balance between classic and contemporary design, available in three finishes with a selection of handles to make it your own. A simple yet inspired collection of basins and rimless WCs designed to complement our traditional Marston furniture collection.

MARSTON

## FEATURES

### Units

This classic yet contemporary furniture range aims to give you the best of both styles. Featuring classic shaker style doors and a slightly stepped basin, combined with soft, curved corners to give a modern edge.

Available in three sizes including a handy cloakroom size unit, making it perfect for those small spaces. The range also includes a back to wall unit, making it easy for you to create a cohesive look.

Two taphole basins require a Plug and Chain Waste, please see p263 of the main Tavistock Directory to order.

### Finish Options

Our Marston range is available in three finishes: Matt Paper White, Matt Spruce and Matt Dark Grey.

Furniture swatch samples are available. Simply visit our designated swatch page on our website.

## LANSDOWN

---

Bring back classic style with Lansdown. Traditional 5 piece doors, grooved side panels and a muted palette of finishes all contribute to the timeless feel.

LANSDOWN

## FEATURES

### Basin Units

The generous flat fronted ceramic basins complement the classic styling, while providing ample wash space regardless of size. There is a choice of freestanding basin units with sizes suitable for cloakrooms as well as family bathrooms. If you wanted to create a truly classic feel, why not opt for an underslung basin unit, especially when used together to create a statement 1200mm double basin unit. The Lansdown range features traditional cabinetry techniques, using 5 piece door construction with tongue and groove side panels. All units feature soft close doors.

### Coordinating Units & Bath Panels

Back to wall and storage units and bath panels complete this beautifully understated range. Soft close wooden toilet seats are also available in coordinating finishes.

### Finish Options

Lansdown furniture is available in 6 finishes of Matt Black, Matt Linen White, Matt Pebble Grey, Matt Dark Grey, Matt Mineral Blue & Matt Sherwood Green.

Furniture swatch samples are available. Simply visit our designated swatch page on our website.

## BATHTUB FEET

Cast from robust aluminium and expertly finished, our bath feet are inspired by the original Regency lion paw design and are designed to be paired with our traditional baths. Available in four finishes to suit any scheme.

### Bathtub Feet

Available in three finishes

Chrome	DC17019	£175.00
Brushed Brass	DC17018	£325.00
White	DC17017	£175.00

- One pack of feet contains four feet and all fixings required.
- The feet are universal and work on all traditional tub options.
- Feet are supplied with floor fixings to secure the bath tub in position and have a height adjustable levelling feature.

## EXPOSED OVERFLOW KITS

Available in click mechanism and chain waste options, our exposed overflow kits are a practical and beautifully crafted addition to your bathtub.

### Exposed Overflow Kit with Click Waste

Available in two finishes

Chrome	DC17020	£225.00
Brushed Brass	DC17021	£360.00

### Exposed Overflow Kit with Plug & Chain Waste

Available in two finishes

Chrome	DC17022	£165.00
Brushed Brass	DC17023	£264.00

- The overflow and waste is universal and compatible with all traditional tubs.
- The pipe can be cut down to suit all Tavistock traditional bathtub models.

## P TRAPS

An essential part of a bathtub's plumbing system, our high quality P Traps ensure safe and efficient drainage while also coordinating with your chosen brassware. Constructed in robust brass and expertly plated.

### P Traps

Available in two finishes

Chrome	DC17024	£65.00
Brushed Brass	DC17025	£95.00

- This connects to either the click waste or the chain waste depending upon your choice.
- The opposing end of the trap connects to the drain pipe.

## EXPOSED DRAIN PIPES

When used with a P-trap, our exposed drain pipes provide efficient and functional draining from your bathtub. Available in two finishes, this component can be cut to the required length.

- This 40mm pipe connects to P-Trap and then to the waste pipe to drain the water away whilst keeping the finish of the rest of the accessories.
- It comes with a shroud to cover the exit point to the wall or floor.
- The pipe is cut down by the fitter to the required length.

# BASINS & WCs

---

## MARSTON

---

A classically inspired range of sanitaryware, engineered to modern standards with features such as soft close quick release toilet seats, water saving rimless flushing and concealed connections, but taking design cues from a period era.

## FEATURES

### Wash Basins

The Marston basins are offered in semi-countertop designs, available in slim and standard depths to suit a variety of spaces. Each basin comes with an option for either a single or double tap hole, allowing for compatibility with different tap styles. Like the WCs, the basins also feature elegant inlay detail along the outer edge, echoing the classic look of the Marston collection.

### WC Choices

Marston WCs are designed with a classic oval shape and inlay detailing and are available in two configurations: back-to-wall and close-coupled styles, in a semi-comfort height to suit all requirements. Each WC features a rimless design for enhanced hygiene and easy cleaning, with the option for full flush and reduced flush operation (4.5/3L). Choose between a sleek flush button or a more traditional lever flush, each available in chrome and brushed brass finishes.

### Soft Close Toilet Seat

Marston WCs can be paired with one of our many traditional moulded wood WC seats, available across all Marston furniture finishes and with the option for chrome or brushed brass hinges. Alternatively, opt for a durable thermoset traditional Secure-Fix WC seat.

### Guarantee

We offer a 20 year guarantee with all ceramic items, excluding cistern fittings which have a 5 year guarantee. Our toilet seats also benefit from a 5 year guarantee, with the exception of solid wood seats which come with a 2 year guarantee.

# LANSDOWN

---

Elegantly timeless design means Lansdown sanitaryware can work equally well with both classic or more contemporary bathroom plans, and perfectly complements Lansdown furniture.

---

## FEATURES

---

### Wash Basins

Lansdown semi-countertop basins offer a classic styling choice for your furniture, available with one or two tap holes to suit your preference of contemporary or classic design.

### Guarantee

We offer a 20 year guarantee with all ceramic items, excluding cistern fittings which have a 5 year guarantee. Our toilet seats also benefit from a 5 year guarantee, with the exception of solid wood seats which come with a 2 year guarantee.

### Short Projection, Rimless WCs

Designed for UK bathrooms, Lansdown WC options have a space-saving, short projection design. The timeless styling will work well with both classic or more contemporary bathrooms. Easi-Clean rimless technology makes them exceptionally hygienic and easy to clean, whilst close coupled WCs feature Air Gap technology.

### Soft Close Toilet Seat

The Lansdown thermoset WC seat has soft close hinges with a quick release button for ease of cleaning. A moulded wood version is also available for a more traditional feel.

### Secure-Fix **OR**

Secure-Fix adjustable hinge technology, that keeps the seat firmly in place, whilst also making installation simple and easy with the aid of a fitting template.

# VITORIA

---

Introducing the elegant and timeless styling of Vitoria basins & WCs. The perfect bathroom solution for a period home.

VITORIA

## FEATURES

### Wash Basins

Vitoria pedestal basins are available with 1 or 2 tap holes to suit your needs, or choose the semi-countertop style basin to use with furniture. A 2 tap hole cloakroom basin is also available. All 2 tap hole basins have provision for a chain stay waste.

### WC Choices

You have the option of high level, low level or close coupled WC, or a back to wall design to use with furniture. High and low level WCs are available in either brushed brass or chrome finishes depending on the pipe kit which you specify. Low level and close coupled WCs have full flush and reduced flush operation (6/4L) with a ceramic cistern handle. The high level WC has ornate brackets and a 6L flush.

### Soft Close Toilet Seat In White Or Black

Wooden soft close seats incorporate a chrome plated top fix hinge with adjustable fittings or alternatively upgrade to a brushed brass hinge. The natural oak seat is solid oak. Alternatively choose painted gloss white or a finish to coordinate with your Vitoria furniture.

### Guarantee

We offer a 20 year guarantee with all ceramic items, excluding cistern fittings which have a 5 year guarantee. Our toilet seats also benefit from a 5 year guarantee, with the exception of solid wood seats which come with a 2 year guarantee.

# MIRROR FEATURES

---

Discover our collection of mirrors encompassing a wealth of design features to brighten up your bathroom.

## Light Temperature Changing Technology

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your mirror illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

---

## Steam Free

Many of our mirrors feature a heated demister pad to keep your mirror steam-free. You'll really appreciate never having to wipe it down again!

The heated demister pad heats the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

## Bathroom Safety

Tavistock mirrors have been tested for compliance with electrical equipment safety regulations. Our illuminated mirrors are IP44 rated and suitable for use within the bathroom.

## Touch Sensor

Control your lighting with just the touch of a button. Our easy to use touch sensor mirrors allow you to effortlessly switch between lighting modes to create your perfect ambiance.

## Infrared Switch

Easy to use, an infrared switch allows you to control the mirror with just the wave of your hand, without touching it.

**Important:** When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

See individual details on each mirror for applicable features.

## OXYGEN MIRRORS

Make a statement with the Oxygen slim depth circular mirrors, available in three sizes and three stylish finishes, black, brushed brass and gunmetal.

- Energy efficient LEDs provide bright, practical task lighting.
- Variable & dimmable LEDs provide warmth and brightness from an invigorating daylight white (6000k) to a relaxing warm white (2700k).
- Touch control buttons turn the mirror LEDs on/off and control their intensity & temperature.
- An integrated heated demister pad will heat the mirror to prevent it from misting in even the steamiest of bathrooms.
- IP44 rated for safe use in the bathroom.

### Quality & Service

Exceptional service is as integral to our business as outstanding product, design and manufacturing. We invest heavily in product improvement and reserve the right to amend specifications at any time if an opportunity to further improve the product occurs to ensure complete customer satisfaction.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items. If you are unsure we would recommend obtaining a swatch from our website or your local retailer and testing in the intended bathroom area.

Products with a brass finish may not match exactly due to variations in the brass alloy composition, differences in finishing techniques, natural aging processes causing patina and the lighting they are compared in. Imagery shown in this brochure are representative only.

### Guarantees

All products are guaranteed against defective workmanship or materials. Length of guarantee depends on the product type - please refer to relevant section of the brochure. Guarantees are for domestic use only and are not transferable.

Damaged parts will be replaced with a spare part where possible, complete exchanges will only be made where it is not practical to do so. All dimensions are approximate and are quoted within reasonable tolerances.

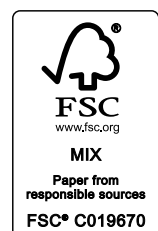

### Pricing

All prices are quoted inclusive of VAT which will be charged at the rate applicable on the date of despatch. The prices charged will be those ruling at the date of despatch and Tavistock cannot be held responsible for any errors or omissions to products or prices.

### Stockists

Tavistock products are available to view at our selected specialist stockists throughout the UK and Ireland.
