

FLOVA®

Manufacturing taps and showers since 1991

FLOVA[®]

“We **believe** it's more than a **product**, it's a piece of **art**. It's more than just **quality**, it's about the **environment** and our **health**.”

www.flova.co.uk

Discover Flova: A True Manufacturer of Brassware

As pioneers in core technology, Flova sets the standard for excellence in manufacturing. We are committed to **100% quality control**, ensuring that every product meets the highest standards of **durability** and **performance**. With a relentless focus on **innovation** and quality, we deliver products that not only define luxury but are built to stand the test of time. At Flova, we believe in nothing less than perfection.

MANUFACTURING EXCELLENCE

Our fully automatic intelligent **manufacturing** enhances quality further, improves **accuracy** and offers complete peace of mind for users.

All accomplished under our control, in our purpose built **in-house** manufacturing centre with 100% **quality** control.

REFINEMENT

Meticulous attention to every **detail**, from selecting the **finest** raw material to ensuring a **premium** finished product. This commitment ensures unparalleled product quality and a flawless user experience.

INNOVATION

Flova is **dedicated** to the research of new **technologies**. Committed to pushing the boundaries of conventional thinking, encompassing **hundreds** of awards for innovative **designs** & technologies.

15-Year Guarantee: A Brand You Can Trust

Offering complete peace of mind, Flova vouch for product **quality** with a comprehensive **guarantee**.

Register your product and receive a comprehensive **15-Year** guarantee.

SUSTAINABILITY

Water saving in all dimensions.

Flova is an ambassador for **healthy** living, ensuring to protect our future. Our **innovations** & designs have earned numerous certificates supporting **low emissions**, saving water, reducing energy and a healthy lifestyle.

PEACE OF MIND

Quality is our **passion** and our **belief**.

Our products have received applause from **global** designers and consumers by its wide choice, characteristic functional design and **quality**.

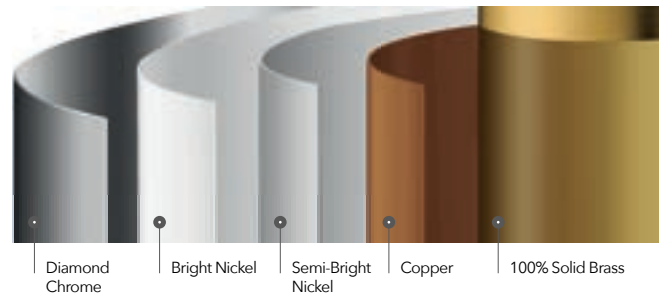

Meeting worldwide legislation has earned us a prestigious reputation across the world, providing **assurance** and confidence to consumers.

EIGHT Quality Finishes That Endure The Test of Time

Our advanced finishes combine innovative technology with superior design, delivering lasting beauty and durability. Backed by a **15-Year guarantee**, these finishes offer timeless elegance that stands strong against everyday wear, ensuring your space remains stunning for years to come.

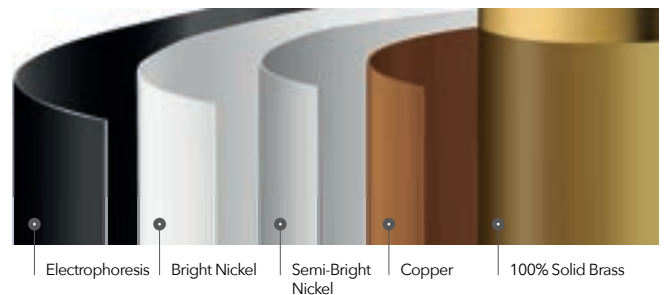

Diamond Chrome

A smart, water-repellent finish that keeps surfaces cleaner for longer with a brilliant, polished shine. Its hydrophobic properties make maintenance quick and effortless.

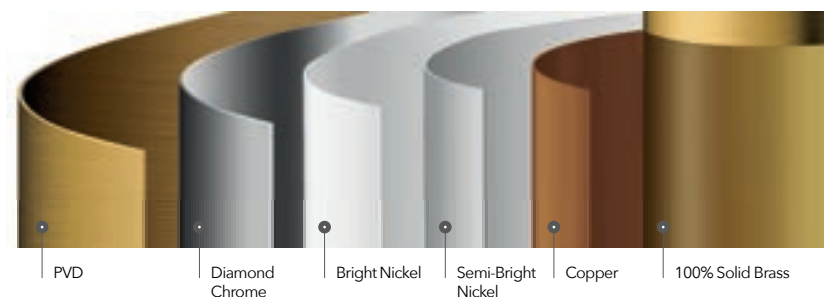

Electrophoresis

A smooth, durable coating that strengthens and protects against wear, keeping your products looking like new. It offers superior resistance to scratches and corrosion for lasting beauty.

PVD

Built on our Diamond Chrome base, PVD adds an extra-tough layer for unmatched durability and lasting brilliance. This premium finish is designed to withstand the rigours of everyday use while maintaining its luxurious look.

15-Year Guarantee

All Flova products come complete with a 15-Year guarantee once registered. Ensuring long-term reliability and customer confidence in their purchase.

Diamond Chrome

Beautifully classic, sleek and polished look for any bathroom.

Brushed Nickel
PVD

Delicate Brushed Nickel, full of layers and texture.

Gun Metal
Electrophoresis

Dark, metallic grey with a sleek, modern finish.

Matt Black
Electrophoresis

Bold Matt Black, easy clean and fingerprint resistant.

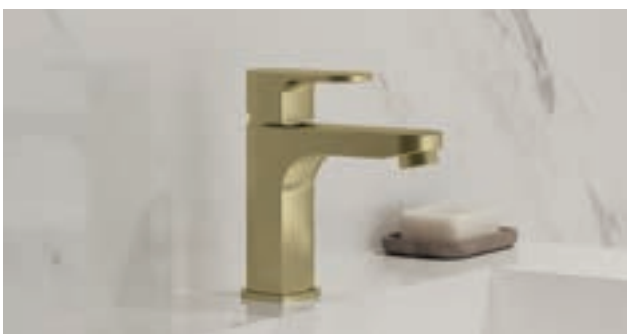

Brushed Bronze
PVD

Warm, Brushed Bronze finish, giving a sophisticated, timeless look.

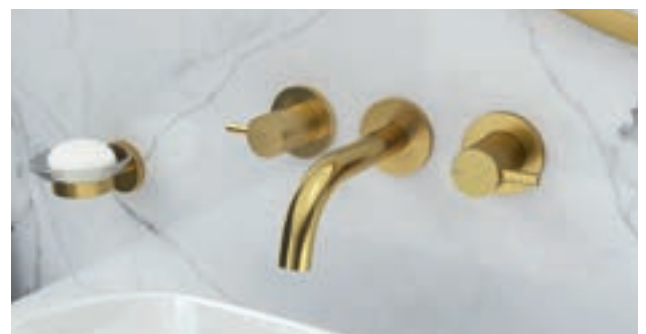

Oil Rubbed Bronze
Electrophoresis

Revived brass colour and timeless style.

Brushed Brass
PVD

Soft, Brushed Brass finish, adding a refined and elegant touch.

Brushed Gold
PVD

Vivid, Brushed Gold finish, offering a luxurious and modern accent.

Discover the full showering collection

Want to build your own custom showering experience? Our full showering collection can be found from page 252. Choose from a variety of colours and features to build your dream bathroom.

Air-Mixed Rainshower

The DESIGN Air-Mixed rainshowers not only enhance comfort but also actively contributes to water conservation, achieving an impressive water-saving efficiency of up to 23%.

GoBOX vs SlimBOX

For those with limited space, the ultra-compact SuperSlim SlimBOX is designed to fit seamlessly with an installation depth of 57mm.

Our cutting-edge GoClick® flow control system offers a user-friendly way to manage multiple outlets with precision.

You can control each outlet either independently or simultaneously, allowing for a fully customisable shower experience.

Pressure Boost Handshower

The STREAM Pressure Boost handshower elevates water performance through an internal waterway, enhancing pressure and maximising overall functionality for an improved shower experience.

Want to build your own custom showering experience? Our full showering collection can be found from page 252. Choose from a variety of colours and features to build your dream bathroom.

Air-Mixed Rainshower

The DESIGN Air-Mixed rainshowers not only enhance comfort but also actively contributes to water conservation, achieving an impressive water-saving efficiency of up to 23%.

GoBOX vs SlimBOX

For those with limited space, the ultra-compact SuperSlim SlimBOX is designed to fit seamlessly with an installation depth of 57mm.

Our cutting-edge GoClick® flow control system offers a user-friendly way to manage multiple outlets with precision.

You can control each outlet either independently or simultaneously, allowing for a fully customisable shower experience.

Pressure Boost Handshower

The STREAM Pressure Boost handshower elevates water performance through an internal waterway, enhancing pressure and maximising overall functionality for an improved shower experience.

ABS Rainshower

Experience luxury and practicality with our 225mm Round Rainshower. Enjoy wide water coverage and a sleek, easy-to-clean design for effortless maintenance.

SuperSlim 57mm SlimBOX

SlimBOX is a versatile in-wall shower system, compatible with 1, 2, or 3 outlets, making it adaptable to various bathroom configurations. With an ultra-slim 57mm depth, it easily fits even the shallowest walls. Installation is effortless thanks to the built-in spirit level, and safety is ensured with thermostatic anti-scald technology. Crafted from 100% solid low-lead brass for durability, SlimBOX also offers 39 stylish finishing sets in 8 colour finishes to perfectly match your bathroom design.

5-function Handshower

Designed to elevate your daily routine, with five unique spray settings, you can customise every shower to your mood - whether you want a refreshing rainfall, a soothing mist, or a high-pressure massage.

Its lightweight yet durable ABS construction ensures long-lasting performance, while its ergonomic design makes it comfortable to use.

Discover the full showering collection

Want to build your own custom showering experience? Our full showering collection can be found from page 252. Choose from a variety of colours and features to build your dream bathroom.

ABS Rainshower

Experience luxury and practicality with our 225mm Round Rainshower. Enjoy wide water coverage and a sleek, easy-to-clean design for effortless maintenance.

SuperSlim 57mm SlimBOX

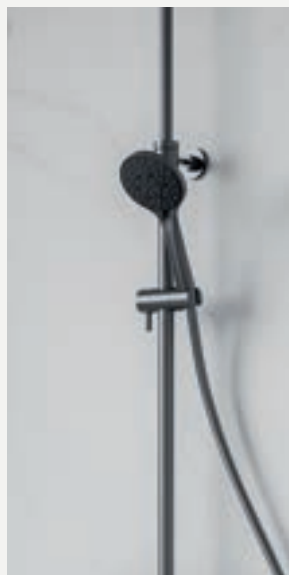

SlimBOX is a versatile in-wall shower system, compatible with 1, 2, or 3 outlets, making it adaptable to various bathroom configurations. With an ultra-slim 57mm depth, it easily fits even the shallowest walls. Installation is effortless thanks to the built-in spirit level, and safety is ensured with thermostatic anti-scald technology. Crafted from 100% solid low-lead brass for durability, SlimBOX also offers 39 stylish finishing sets in 8 colour finishes to perfectly match your bathroom design.

5-Function Handshower

Designed to elevate your daily routine, with five unique spray settings, you can customise every shower to your mood - whether you want a refreshing rainfall, a soothing mist, or a high-pressure massage.

Its lightweight yet durable ABS construction ensures long-lasting performance, while its ergonomic design makes it comfortable to use.

Discover the full showering collection

Want to build your own custom showering experience? Our full showering collection can be found from page 252. Choose from a variety of colours and features to build your dream bathroom.

ABS Rainshower

Experience luxury and practicality with our 225mm Round Rainshower. Enjoy wide water coverage and a sleek, easy-to-clean design for effortless maintenance.

GoBOX vs SlimBOX

For those with limited space, the ultra-compact SuperSlim SlimBOX is designed to fit seamlessly with an installation depth of 57mm.

Our cutting-edge GoClick® flow control system offers a user-friendly way to manage multiple outlets with precision.

You can control each outlet either independently or simultaneously, allowing for a fully customisable shower experience.

5-Function Handshower

Designed to elevate your daily routine, with five unique spray settings, you can customise every shower to your mood - whether you want a refreshing rainfall, a soothing mist, or a high-pressure massage.

Its lightweight yet durable ABS construction ensures long-lasting performance, while its ergonomic design makes it comfortable to use.

Discover the full showering collection

Want to build your own custom showering experience? Our full showering collection can be found from page 252. Choose from a variety of colours and features to build your dream bathroom.

ABS Rainshower

Experience luxury and practicality with our 225mm Round Rainshower. Enjoy wide water coverage and a sleek, easy-to-clean design for effortless maintenance.

GoBOX vs SlimBOX

For those with limited space, the ultra-compact SuperSlim SlimBOX is designed to fit seamlessly with an installation depth of 57mm.

Our cutting-edge GoClick® flow control system offers a user-friendly way to manage multiple outlets with precision.

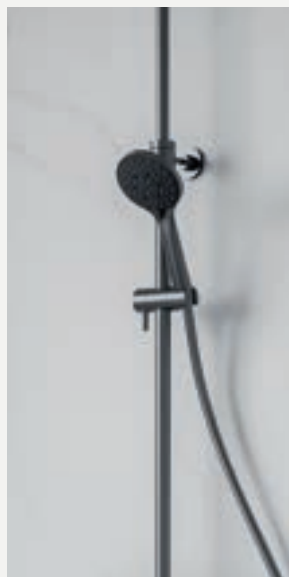

You can control each outlet either independently or simultaneously, allowing for a fully customisable shower experience.

5-function Handshower

Designed to elevate your daily routine, with five unique spray settings, you can customise every shower to your mood - whether you want a refreshing rainfall, a soothing mist, or a high-pressure massage.

Its lightweight yet durable ABS construction ensures long-lasting performance, while its ergonomic design makes it comfortable to use.

Swivel spout diverter

The spout as swivel diverter is a patent design which saves space and enhances your showering experiences. Simply divert your shower function by moving the spout.

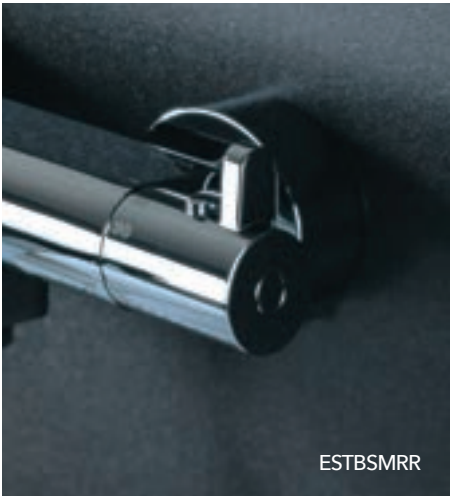

Bath fill function
Move the spout to the centre position to fill the bath.

Rainshower function
Move the spout to the left for rainshower function.

Handshower function
Swivel to the right to activate the handshower.

Thermostatic anti-scald
Prevent bathroom scalding and protect your family.

2-Function

ESMSHVRR **£1140**
Exposed manual shower column
• High pressure >1.0
• 145mm x 200mm brass rainshower
• Includes shower set with 1.5m hose

3-Function

ESBSMRR **£1378**
Exposed manual shower column
• High pressure >1.0
• Swivel spout divert
• 145mm x 200mm brass rainshower
• Includes shower set with 1.5m hose

CERTIFICATES

Flova proposes a more healthy water environment. Throughout our product development, our innovation and designs have earned numerous certificates: ISO9001 Quality Management System, ISO14000 Environmental Management System, American CUPC Certificate, NSF 61-9 Drinking Water Safety Certificate, NSF 372 Lead-free Certificate, UK WRAS Certificate, Limited Metal Pollutants in Precipitation Certificate, etc.

GUARANTEE

All products are supplied with a 10-Year guarantee on manufacture and a 3-Year guarantee on working parts.
Register your product and receive a comprehensive 15-Year guarantee.

AFTERCARE

To keep your product looking immaculate, clean all surfaces immediately after use with a soft cloth to prevent dirt and limescale build up. Occasionally, use a soft microfibre cloth with a mild, non-abrasive cleaner or a weak washing-up solution, and rinse thoroughly with clean water. Avoid abrasive cloths or sponges, as they may scratch the surface.

TERMS & CONDITIONS

Prices listed within this brochure are inclusive of VAT at 20%.
All products demonstrated in our brochure are for reference purposes only and actual product may differ from the images shown.
The company reserves the right to alter, modify or change any product without prior notice.
